The Board meeting was called to order at 7:16 pm by President Lucy Sperlin.

1. **Approval of Minutes and Committee Reports** – Sydney moved that the March 7, 2023 minutes be approved with changes. S/Susan; unanimously passed.
2. **Treasurer's Report** – See attached financial statements.
3. **Minister's Time** – See committee reports. Bryan attended a funeral for Ali Sarsour with 6 other UUFC members. Bryan also recommended that the Minister's Discretionary Fund be available for the next minister.
4. **Stewardship** – Dave reported that approximately \$91,000 has been pledged which is about 92% of the proposed budget. He believes that 99% of the proposed budget can be achieved.
5. **Use Permit** – Bryan reported that some progress is being made, but that two local firms who might have helped have turned us down because of conflicts of interest. Bob stated that \$2,200 will be needed to go before the Planning Commission if UUFC decides to proceed. Bryan suggested that we would like to find an attorney outside of Chico who is experienced in land use law to write a letter referring to the Religious Land Use statute. He hopes that this letter could help ensure that the Planning Commission rules in our favor.
6. **Building and Grounds** – Bob reported that \$930 was spent to repair the pipes beneath the Fellowship Hall. He anticipates this type of expenditure will occur every 2 years.

Bob reported that Adrienne Edwards has students who could expand the garden and will disassemble the raised bed since they are limiting the growth of the garden. \$1,200 to \$1,500 will be needed for a new irrigation system to the garden.
7. **Ministerial Search** – Courtney stated that Meg Brady is Chair of the Committee, and has submitted to UUA our Congregational profile to advertise for a half time contract minister who will provide 2 services a month. This minister will be a UU minister.
8. **Website & URL Payment** – Payment was made to David Singer for his work on the URL. The original URL will be online in June.
9. **Sexual Harassment Training** – There are a few board members who are still going through the training. Sydney stated that since she's going off the board in June, she will not complete the training since she has done several in the past.

10. **Sound System** – Two of our volunteer sound system operators have found the sound system altered – Jeff found all controls turned on high, and Bob C found it unplugged. Dave will call Havarah to determine if they used the sound system. Pam suggested that maybe the cleaning service by accident changed the sound system controls.
11. **Visions Statement** – Angela Risdon stated that she, Sydney, Courtney, TW Theodore, and Meg Brady met with Melissa James and will meet with various committees to develop the Vision Statement.
12. **Items for Discussion/Decision**
